

module_gps_task

```
graph LR; A[module_gps_task] --> B[module_gps_run]
```

A flow diagram showing a transition from a task module to a run module. The first module, 'module_gps_task', is represented by a gray rectangular box with a black border. A dark blue arrow points from the right side of this box to the left side of the second module, 'module_gps_run', which is represented by a white rectangular box with a black border. The text inside both boxes is in a black, sans-serif font.
